Mitch specializes in working with advanced juniors and adults, although he teaches players of all levels.

Marilee Stafford, director of the adult and junior programs at Sport&Health, was the #1 ranked women's player in Maryland in 1996. She also competed nationally and graduated with a B.S. in Physical Education from ORU in Tulsa, Oklahoma. She graduated from The University of Maryland with a degree in kinesiology. Rena taught at the College Park Tennis Center, working with younger kids and beginner adults. She directs both the Georgetown Visitation and Sport&Health TenniStar camps. She is especially good with our youngest players, but she works with all levels of adults and juniors.
